IF YES: PRINTED OR SIGNATURE

PRINTED BACK LARGE

SIGNATURE PRINT

If you are planning on having names printed on the shirts, you will need to email a list of names to Jen Tees. They will send over a proof for you to confirm the spellings and layout.

If you are planning on having signatures on the shirts, a template will be sent to you. This is good to do when placing the order. Please keep in mind of the number of students in your class. The more students there are, the less space for signing.
